FEAST OF THE SACRED HEART

The Solemnity of the Most Sacred Heart of Jesus falls 19 days after the feast of Pentecost. The devotion to the Sacred Heart is one of the most widely practiced and well known Catholic devotions.

The Sacred Heart is often depicted in Christian art as a flaming heart shining with divine light, pierced by the lance wound, encircled by the crown of thorns, surrounded by a cross and bleeding. Sometimes, the image is shown shining within the bosom of Christ with his wounded hands pointing at the heart. The wounds and crown of thorns allude to the manner of Jesus' death, while the fire represents the transformative power of divine love.

Devotion to the Sacred Heart developed out of the devotion to the Holy Wounds, in particular to the Sacred Wounds in the side of Jesus. The first indications of devotion to the Sacred Heart are found in the eleventh and twelfth centuries in the fervent atmosphere of the Benedictine or Cistercian monasteries.

Prayer to the Sacred Heart

O Sacred Heart of Jesus, filled with Infinite Love; broken by our ingratitude and pierced by our sins; yet loving us still; accept the consecration we make to Thee of all that we are and all that we have. Take every faculty of our souls and bodies, day by day draw us nearer and nearer to Thy Sacred Heart; and there as we shall hear the lesson, teach us Thy Holy Way. Amen

The Feast of the Most Holy Trinity

Sunday, May 30, 2021

The mystery of the most Holy Trinity is a basic doctrine of Faith in Christianity, understandable not with our heads but with our hearts. It teaches us that there are three distinct Persons in one God, sharing the same Divine Nature. Our mind cannot grasp this doctrine which teaches that 1+1+1 = 1 and not 3. But we believe in this Mystery because Jesus who is God taught it clearly, the Evangelists recorded it, the Fathers of the Church tried to explain it and the Councils of Nicaea and Constantinople defined it as a dogma of Christian Faith.

There is a very old and much-repeated story about St. Augustine, one of the intellectual giants of the Church. He was walking by the seashore one day, attempting to conceive of an intelligible explanation for the mystery of the Trinity. As he walked along, he saw a small boy on the beach, pouring seawater from a shell into a small hole in the sand. "What are you doing, my child?" asked Augustine. "I am trying to empty the sea into this hole," the boy answered with an innocent smile. "But that is impossible, my dear child," said Augustine. The boy stood up, looked straight into the eyes of Augustine and replied, "What you are trying to do - comprehend the immensity of God with your small head - is even more impossible." Then he vanished. The child was an angel sent by God to teach Augustine a lesson. Later, Augustine wrote: "You see the Trinity if you see love." According to him, the Father is the lover, the Son is the loved one and the Holy Spirit is the personification of the very act of loving. This means that we can understand something of the Mystery of the Holy Trinity more readily with the heart than with our feeble mind. Evagrius of Pontus, a Greek monk of the 4th century who came from what is now Turkey in Asia and later lived out his vocation in Egypt, said: "God cannot be grasped by the mind. If God could be grasped, God would not be God." *Source: vaticannews.va*
