

Catholic facts

Little things you might not have known about your catholic faith...

- ◆ Pope John Paul II was the first non-Italian pope in over 400 years.
- ◆ The Catholic Church is the largest single denomination in Christianity.
- ◆ The incense used in the Catholic Church symbolizes prayers rising to heaven. It is also used to bless and purify.
- ◆ Until the year 313, it was illegal in the Roman Empire to be a Christian; in the year 313 the Roman Emperor Constantine decreed toleration for the Christian religion through the *Edict of Milan* (the Emperor Licinius for the eastern part of the Empire), and the Church was able to organize and establish churches. Until that year, Christians were persecuted and almost all the popes were martyred.
- ◆ The Basilica of St. John Lateran in Rome became the cathedral church of the pope, the bishop of Rome, and it was the primary residence of the popes until the Middle Ages. It was established in 324, shortly after the Edict of Milan, and is the oldest church in Rome and the oldest basilica in the Western world.

Thank You!

A huge thank you to our community for their ongoing support of the ICPM Luncheon that we hosted on Sunday, May 21.

The luncheon cost was \$1807 which included a \$500 cash donation.

We had a great turnout of volunteers. Many thanks to our youth for sharing their time and their sandwich making skills, to the cookie packers and the lunch bag packers as well as to those who volunteered their time to work at the Bissell Center and to distribute the lunch bags.

With everyone's input, this Sunday brought together both fellowship and a healthy lunch for many of our brothers and sisters who are currently struggling.

God bless you all!

Themes for Pentecost Year A
 The Mass readings for Pentecost Year A clearly emphasize the role of the Holy Spirit. Through the Spirit's gifts, we are empowered to share the message of Jesus Christ with the world. This important day marks the birth of the Church and is celebrated 50 days after Easter, signifying the end of the Easter season.

- **The Holy Spirit's role in the inception and growth of the Church:** In the first reading from Acts, the Holy Spirit descended upon the apostles, enabling them to speak in different languages and leading to the conversion of thousands. This event marked the beginning of the Church, and the Holy Spirit continued to play a vital role in its growth and development.
 - **The diverse gifts given by the Holy Spirit for the benefit of the Church:** In the second reading for Pentecost Year A, Paul emphasizes the importance of the various gifts given by the Holy Spirit, such as prophecy, healing, and teaching, among others. These gifts are meant to be used for the benefit of the entire body of Christ and to build up the Church.
 - **The unity of the Church as one body in Christ through the Holy Spirit:** Paul compares the Church to a human body, made up of many parts that work together to function as one body. In the same way, the Church is a unified body in Christ through the Holy Spirit, with each member playing a unique role in building up the Church.
 - **The power of the Holy Spirit to empower believers for Christ's work in the world:** In the Gospel reading for Pentecost Year A, Jesus breathes on his disciples, giving them the gift of the Holy Spirit and commissioning them to continue his work of forgiveness and reconciliation in the world. Through the Holy Spirit, believers are empowered to do the work of Christ and to spread the gospel message to all nations.
- The message of forgiveness and reconciliation through Christ, empowered by the Holy Spirit:** In the Gospel reading, Jesus commissions his disciples to forgive sins, emphasizing the message of forgiveness and reconciliation that is central to the gospel message. This message is empowered by the Holy Spirit, who gives believers the power to share this message and to continue the work of Christ in the world.

We are very grateful for all the generous and talented people who serve our parishes in various ways with their time and skills. In light of the Safe Environments program in the Archdiocese of Edmonton, all volunteers are required to participate in a Called to Protect session. Called To Protect is a one-time participation in an abuse prevention training program. A typical training session includes viewing of two videos aimed at church ministries; it goes into more detail about abuse prevention in the church environment. Through the videos, participants learn tools to identify inappropriate behaviours, methods to report potential abuse, and best practices in ministering safely.

Called to Protect training will be offered at different parishes throughout the Archdiocese.

To find out about the next session please contact Josee Marr at Josee.Marr@caedm.ca
