Sunday - November 15, 2026

The 33rd Sunday in Ordinary Time Year A focuses on using God's gifts wisely, being prepared, and trusting in Him. The first reading praises a hardworking and faithful wife. The second reading reminds people that God's time will come when they least expect it. The Gospel story of the servants teaches that those who use their talents well will be rewarded, while those who do nothing will lose what they have. This Sunday encourages people to be responsible, work hard, and stay ready for God.

IMPORTANT

Catholics called to action on Bill C-41

Canada's bishops are calling for separate legislation to maintain the exclusion of euthanasia and assisted suicide when mental illness is the sole underlying medical condition. They also oppose expanding access to euthanasia through advance requests.

Catholics are called to action by writing their MP. See link for help including examples of letters.
